Scene image model: Jingang Bonrich door, Changhong glass, Q4 frame

UNLOCK THE CHARM OF SPACE

Unlock the charm of space and shape the aesthetics of life. Purer life, more exquisite enjoyment.

LIGHT LUXURY IN APPEARANCE AND
ELEGANCE IN INTERIOR

Use geometric lines to outline the design tone and
interpret the beauty of just the right details.
Add elegant mood and rich texture to the space.

Aluminum Wooden Door

Lock the secret of time and life

Release the power of space and art

EMBELLISH TEXTURE WITH DETAILS

Quality and elegance are built in every detail. Collect aristocratic style both inside and outside.

45° splicing

DURABLE

Safe to use for up to 50 years

Innovative ideas and super durability

Again breaking through user expectations

"Replacing wood with aluminum", 45° spliced narrow-edge aluminum door frame. No fear of bumps, more waterproof, moisture-proof, mildew-proof, and insect-proof. Weather resistance innovation and upgrade, safe use for up to 50 years.

Aluminum honeycomb+ 8mm panel

SOLID

High strength and high sound insulation

Gathering strength and super resistance to deformation

We have to rely on hard power to take the position

Both inside and outside, aluminum honeycomb+8mm panel. No fear of pressure, stronger, high strength and high sound insulation. Core technology wins, excellent mechanical properties and anti-deformation mechanism.

EASY INSTALLATION

more relaxed, saving time and no worry

Assembly breakthrough Super strong installation technology

In-depth solution to market pain points

Easy-to-install structure and independently developed easy-to-install hinges. No need to be cumbersome, more relaxed, saving time and no worry. Excellent materials and good craftsmen can better promote the implementation of easy OS installation.

Easy installation hinge

Beautiful to the last millimeter, exquisite and luxurious aesthetic locks

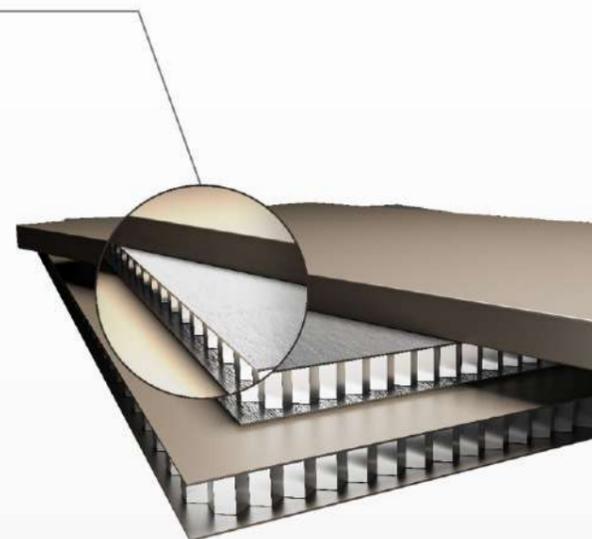

Every detail is handled flawlessly

Calm down, more integrated

EXQUISITE LUXURY

Minimalist magnetic silent lock. Calm down, more integrated. Exclusive and delicate texture, enjoy fashionable "light" life.

Magnetic silent lock

USE COLOR TO DECORATE
YOUR EXQUISITE LIFE

ONE COLOR, ONE STYLE

The decorative layer is more diverse, with paint and paint-free coverage, and the mixed paint surface is stunning in color and more versatile. PVC coating, natural in color, environmentally friendly and textured, just the right amount of cleanliness, truly achieving the integration of door and wall cabinets.
